

AGRITEC BIO CHAINSAW 220

Product Code: AGR002 | **Revision:** 20241121

Environmentally friendly anti-fling chainsaw lubricant.

Available Pack Sizes

Applications

Specially formulated biodegradable chainsaw oil manufactured from naturally occurring esters and carefully selected additive technology for use in environmentally sensitive areas. Highly advanced surface-active agents ensure the highest level of protection on guide bars, chain links and cutting teeth by reducing friction and wear. Our unique formulation shields components from rust, corrosion and the accumulation of sap and resin.

Recommended by Aztec Oils as suitable for the following applications

ISO 6743-1 L-AC
Suitable for types of petrol and electric chainsaws, including Stihl & Husqvarna.

Benefits

- Advanced antiwear additive technology.
- Anti-fling tackiness agents resist oil fling.
- Readily biodegradable & environmentally friendly.
- Prolongs chain life.
- Protects against rust & corrosion.
- Naturally high viscosity index.
- Wide temperature range, suitable for use throughout all seasons.

Typical Test Data

Density @ 15°C (kg/m ³)	ASTM D4052	0.92
Flash Point (°C)	ASTM D92	>200
Kinematic Viscosity @ 40°C (mm ² /s)	ASTM D445	220
Kinematic Viscosity @ 100°C (mm ² /s)	ASTM D445	45
Readily Biodegradable	OECD 301	89%
Pour Point (°C)	ASTM D97	<-10
Viscosity Index	ASTM D2207	261

The typical test data provided is taken from average values, there will be some variability in production and therefore do not constitute a specification.

Health, Safety & Recommendations

- A Safety Data Sheet is available for consultation at www.aztecoils.co.uk.
- Packaging should not be left exposed to elements and drums should be laid horizontally to prevent contamination.
- This product should not be stored at temperatures over 60°C, kept out of direct sunlight, protected from frost and fluctuations in temperature.
- When disposing of the product after use, please protect the environment and comply with local regulations.

In line with our policy of continued improvement, Aztec Oils reserve the right to change specifications and availability without prior notice. This product, used according to our recommendations and for its designed application, does not represent any particular risk. The information present in this technical data sheet is indicative of the product and is given in good faith, but should not form part of any specification.
