

AGRITEC LAWNMOWER 30

Product Code: AGR029 | **Revision:** 20220322

Monograde mineral based horticultural engine oil.

Available Pack Sizes

Applications

A monograde horticultural engine oil manufactured from high quality mineral base oils and robust additive technology. Provides protection from wear, corrosion and oxidation in horticultural petrol and diesel engines.

Recommended by Aztec Oils as suitable for the following applications

API SE/CC

Suitable for four stroke lawnmowers, stationary engines & generators (consult handbook).

Benefits

- Anti-oxidant properties.
- Detergent/dispersant additive technology.
- Protection against wear and corrosion.

Typical Test Data

Density @ 15°C	ASTM D4052	0.87
Flash Point (°C)	ASTM D92	>200
Kinematic Viscosity @ 40°C (mm/s ²)	ASTM D445	91.4
Kinematic Viscosity @ 100°C (mm/s ²)	ASTM D445	10.6
Pour Point (°C)	ASTM D97	<-15
Total Base Number (mg KOH/g)	ASTM D2896	6
Viscosity Index	ASTM D2207	99

The typical test data provided is taken from average values, there will be some variability in production and therefore do not constitute a specification.

Health, Safety & Recommendations

- A Safety Data Sheet is available for consultation at www.aztecoils.co.uk.
- Packaging should not be left exposed to elements and drums should be laid horizontally to prevent contamination.
- This product should not be stored at temperatures over 60°C, kept out of direct sunlight, protected from frost and fluctuations in temperature.
- When disposing of the product after use, please protect the environment and comply with local regulations.

In line with our policy of continued improvement, Aztec Oils reserve the right to change specifications and availability without prior notice. This product, used according to our recommendations and for its designed application, does not represent any particular risk. The information present in this technical data sheet is indicative of the product and is given in good faith, but should not form part of any specification.
