

R.O.L.F Lamp Oil

Product Code: FUEL011 | **Revision:** 20240820

Reduced Odour Liquid Fuel - Lamp Oil

Available Pack Sizes

Applications

This modern lamp oil burns cleanly with virtually no odour and can be used in all paraffin appliances and traditional kerosene lamps. It is highly refined and burns cleanly without sooting, ideal for use in garden lanterns and torches.

Directions for use

1. Hold the container firmly and remove the safety cap.
 2. Carefully pour the fuel into the lamp reservoir.
 3. Seal the container immediately after use.
 4. Store the container in a safe place away from fire and direct sunlight.
- N.B. Upon lighting, care should be taken to adjust the wick. A poorly adjusted wick can lead to incomplete combustion which may cause excessive smoke and a build-up of soot in chimneys and flues. If smoke is apparent, immediately adjust the wick.
- CAUTION - NEVER POUR OR SPRAY FLUID ONTO HOT SURFACES**

Benefits

- Clean and bright burning.
- Containers are fitted with a child resistant and induction heat sealed cap.
- For use in traditional, ornamental, hurricane and pressure lamps.
- High quality and low-sulphur.
- Low odour - a low aromatics content reduces strength of odour during use.
- Not classified as highly flammable as flash is $>62^{\circ}\text{C}$.

Typical Test Data

Appearance	Colourless
Density @ 15°C (kg/m^3)	0.81
Flash Point ($^{\circ}\text{C}$) (PMCC)	>62
Kinematic Viscosity @ 20°C (mm^2/s)	2 - 3.5
Odour (Liquid)	Slight

The typical test data provided is taken from average values, there will be some variability in production and therefore do not constitute a specification.

Health, Safety & Recommendations

- A Safety Data Sheet is available for consultation at www.aztecoils.co.uk.
- Packaging should not be left exposed to elements and drums should be laid horizontally to prevent contamination.
- PPE - Wear protective clothing, gloves and eye/face protection when using this product.
- This product should not be stored at temperatures over 40°C , kept out of direct sunlight, protected from frost and fluctuations in temperature.
- When disposing of the product after use, please protect the environment and comply with local regulations.

In line with our policy of continued improvement, Aztec Oils reserve the right to change specifications and availability without prior notice. This product, used according to our recommendations and for its designed application, does not represent any particular risk. The information present in this technical data sheet is indicative of the product and is given in good faith, but should not form part of any specification.
