

MOTOTEC TRANS-1 90

Product Code: MOT042 | **Revision:** 20240819

Non-EP monograde scooter transmission fluid.

Available Pack Sizes

Applications

A high-quality monograde gear oil which is free from extreme pressure additives, designed for motorcycle and scooter transmissions containing sensitive yellow metals such as phosphor bronze. Provides rust and oxidation resistance to prevent the formation of corrosion and maintain a good service life.

Recommended by Aztec Oils as suitable for the following applications

API GL-1
Suitable for scooters, including Vespa & Lambretta

Benefits

- Does not stain phosphor bronze bearings.
- High viscosity index.
- Excellent protection from rust & oxidation.
- Suitable for motorcycle & scooter transmissions requiring a non-EP gear oil.

Typical Test Data

Density @ 15°C (kg/m ³)	ASTM D4052	0.89
Flash Point (°C)	ASTM D92	>200
Kinematic Viscosity @ 40°C (mm ² /s)	ASTM D445	155
Kinematic Viscosity @ 100°C (mm ² /s)	ASTM D445	15
Pour Point (°C)	ASTM D97	<-20
Viscosity Index	ASTM D2207	96

The typical test data provided is taken from average values, there will be some variability in production and therefore do not constitute a specification.

Recommendations

- A Safety Data Sheet is available for consultation at www.aztecoils.co.uk.
- Before using this product, the vehicles maintenance guide should be checked and oil changes must be carried out in accordance with the manufacturers' recommendations.
- Packaging should not be left exposed to elements and drums should be laid horizontally to prevent contamination.
- This product should not be stored at temperatures over 60°C, kept out of direct sunlight, protected from frost and fluctuations in temperature.
- When disposing of the product after use, please protect the environment and comply with local regulations.

In line with our policy of continued improvement, Aztec Oils reserve the right to change specifications and availability without prior notice. This product, used according to our recommendations and for its designed application, does not represent any particular risk. The information present in this technical data sheet is indicative of the product and is given in good faith, but should not form part of any specification.
