

TOROTEC SS 10W-40

Product Code: PCM007 | Revision: 20240819

Semi synthetic automotive engine oil, ACEA A3/B4.

Available Pack Sizes

Applications

A multigrade engine oil manufactured from a precisely balanced blend of top-quality mineral and synthetic base stocks with performance enhancing technology. Formulated to have a high level of lubricity to provide lower internal friction for reduced engine wear whilst its relatively low viscosity improves flow rates and hydraulic tappet performance during cold start and engine idling.

Recommended by Aztec Oils as suitable for the following applications

ACEA A3/B3, A3/B4
API SN/CF
Mercedes-Benz 229.1/229.3
Renault RN0700/RN0710
VW 502.00/505.00

Benefits

- Advanced anti-wear technology helps to protect engine components.
- Excellent protection against oxidation.
- High shear stability for stay in grade performance.
- Reduces corrosion, varnish and the agglomeration of sludge.
- Superb thermal stability at high temperatures.

Typical Test Data

Density @ 15°C (kg/m ³)	ASTM D4052	0.871
Flash Point (°C)	ASTM D92	220
Kinematic Viscosity @ 40°C (mm ² /s)	ASTM D445	95.5
Kinematic Viscosity @ 100°C (mm ² /s)	ASTM D445	13.8
Pour Point (°C)	ASTM D97	-32
Total Base Number (mg KOH/g)	ASTM D2896	10.3
Viscosity Index	ASTM D2207	147

The typical test data provided is taken from average values, there will be some variability in production and therefore do not constitute a specification.

Health, Safety & Recommendations

- A Safety Data Sheet is available for consultation at www.aztecoils.co.uk.
- Before using this product, the vehicles maintenance guide should be checked and oil changes must be carried out in accordance with the manufacturers' recommendations.
- Packaging should not be left exposed to elements and drums should be laid horizontally to prevent contamination.
- This product should not be stored at temperatures over 60°C, kept out of direct sunlight, protected from frost and fluctuations in temperature.
- When disposing of the product after use, please protect the environment and comply with local regulations.
